Both Sunday services by Dr. Jay Scott Neale, unless noted otherwise.

Dear Spiritual Family,

*“Education is not revealed by the books we’ve read or degrees we’ve earned...but
what we do with what we’ve learned...”*

- Leonard G. Kirkegaard

Divine Mind within us is the Source of everything which is brought into form in our experience, as our event, by the operation of the Law of Mind upon our consciousness. We cannot expand our concepts of life in all its relationships if we try to save or hang onto old, limited thought-patterns. Let your affirmation for April be: I now let go of all erroneous attitudes and beliefs and accept a more enlightened understanding of my self as an Off Spring of the Infinite.

Allow Infinite Wisdom to have full reign in your life and world this month. Let every decision and every action be quickened through Infinite Love, raising you to the stature of your true Self.

Thank you for your love, your faith, your support and your Treatment. Together, let us determine to serve an ever-increasing number of people who need what we teach. We are all blessed by each of you!

Have a wonderful April!

Love is Blessing You!

Dr. Jay

Notice of Special Meeting

Volunteer Organization Planning Meeting

Sunday, April 3, 1:00 p.m.

Service is a spiritual path and we are developing a volunteer organization to support this principle of SEVA (selfless service). Anyone interested in the future structure of support for our wonderful volunteers is invited to attend this meeting with Rev. Pam, our volunteer coordinator.

Rev Pam says, "I envision an organization that supports and recognizes the volunteers who make our church home welcoming, successful, and fun. I have some ideas, but I know there are many talented people in our church who can help to shape a SEVA program that is supportive, flexible, and joyful. Please join me in creating a program as wonderful as our teaching!"

New Membership Committee

We are growing our Church one member at a time!

We have a new membership committee and we would love you to join us in taking inspired action to welcome more members to our wonderful family. Please consider joining us.

We are working to ensure that our current membership records are accurate and that everyone is connected to all the wonderful activities and learning taking place at our center. To help us serve you better, we kindly ask everyone who reads the paper version of the Triune and/or attends services over the next several weeks to fill out an information card. These cards will be used to update our files, as well as address any inquiry or interest that is requested.

We expect that you will fill these cards out more than once and that is perfect, we are interested in how our attendance breaks out at different events and services. We love to know that you are here!
