Celebrating over 30 Years of Excellence!

Member of Religious Science International

Dear Spiritual Family,

As we Spring into Spring and Celebrate Passover, Good Friday and Easter, let us each Affirm: *I am the Resurrection*. Let us know that hidden riches are uncovered in your life and the life of our wonderful Tri-City Church of

Religious Science. New capacities for good are developing and establishing themselves in the stream of Divine action. Let the resurrection, the Christ Consciousness of Oneness, take charge of your life. See with the vision of Love. One look as God sees is enough! There are no limits to Life. Let this new Vision give you a New World.

Join us for a special Good Friday Service and a wonderful Easter Service, with a Super Happy Easter Party for the children, on Easter Sunday. We're expecting an important visit from Easter Bunny. Invite your friends and celebrate with us!

Affirm: I think about what I think about, stand on the mountaintop of Spirit and let my inner vision encompass more of the Greatness of Life. I now expand the horizons of all my experiences and my mind, body and world celebrate my choice. It is wonderful to realize that, as I think in my heart, so am I.

Love is Blessing You!
Happy Easter!

Night of Peace

The Season for Non-Violence officially ends April 4, the anniversary of the death of Dr. Martin Luther King, Jr. So we will dedicate the Wednesday night service to the understanding that the spirit of non-violence, love and peace does not end, but lives within each of us always. We will celebrate this Night of Peace with special readings, poetry, meditation, a short lecture and, of course, wonderful music. Please plan to attend, and bring a friend to add to the consciousness of Peace in everyone.

Friday • April 14 8:00 PM

Good Friday Service

In 1947, Dr. Ernest Holmes wrote a beautiful, metaphysical poem, for Easter. Tonight we hear again his wonderful words and see again with his clear insight. It is our pleasure to present this wonderful work as a Metaphysical Celebration of Good Friday.

Join with Dr. Jay, our Ministers and Practitioners and experience the wonderful music of Jeannette Butler, Rolf Jaeger and others. Experience the wonderful Concert Reading of our Talented Members.

You will love this night! Invite a Friend!

EMAIL ADDRESS NOTICE

We are in the process of updating all email addresses for the church. Several announcements have been sent out in multiplicity because we don't have an accurate mailing list yet. Please bear with us, we are working on it. If you change your email address, or don't want mail, let me know. We are trying to update our information ASAP. If you aren't included in my emailings, and want to be, just send me an email – Monadawn@sbcglobal.net – and I will add you to the list. We want you to get all the latest information ASAP!

Saturday • April 1 10:00 AM to 12:30 PM

Moon Circle – A Gathering of Women *The Heart Journey through the Season –* **A Celebration of Spring**

You are invited to join Rev. Carolyn Cash in traveling through the seasons of our hearts; taken from the book of the same title as above, by Joyce Rupp & Macrina Wiederkehr. We will walk through each season with an experiential experience to awaken our consciousness to a greater understanding of our lives.

With workshopping, sharing and ritual ceremony we welcome Spring into our personal life and reap the lessons it brings to us with joy and gratitude.

Join us for a morning of discovery about our feminine spirit, and our oneness with our planet. Come join with your Moon Circle sisters and get to know other women of like mind. Bring food to share for a potluck lunch, when we visit and become better acquainted.

Sunday • April 2 1:30 to 3:30 PM

Young Adult Group

The young Adult Group welcomes you to grow in consciousness with our team of spiritual thinkers. The twenty-something is an interesting age of opportunity. For many of us it's a time when we really start to think for ourselves and determine which of our beliefs are really ours and which are our parents and peers.

If you're between the ages of 19 and 35, join us on the first Sunday of each month to experience a renewal of motivation of self-thought. We'll be discussing goals and visions while exploring the infinite possibilities that are available to each of us on our paths of personal growth.

Sunday • April 9 1:30 PM

Sun Circle – A Gathering of Male Power

Facilitated by Rev. Bob Ahrenkiel

The Sun Circle will be finishing up the book "He" which covers Dr. Carl Jung's study of Masculine Psychology. A better understanding of the male psyche leads to living a more fulfilled life. The balancing of our male and female energies makes for a more enjoyable life, individually and with your significant other.

Rev. Bob requests that all participants bring an article from any source that touched you in a positive way. These articles will be shared and discussed for a maximum effect on the group.

Friday • April 21 7:00 to 9:00 PM

BOSS – Business Owners Spiritual Support

BOSS: Supply Chain Management

For business owners (and those who intend to be), this group explores business issues and practices on the basis of spiritual principle. This month's meeting is in the church sanctuary.

Andrew Roman will present a slide show and tutorial entitled "Supply Chain Management and How You Fit into It: What SCM Can Do for You." Everything you ever wanted to know about SCM, what it is, how it works, what it means to all of us, what SCM can do for you. A discussion will follow afterwards.

In Loving Memory

We know that loving hands are meeting our dear one who has recently made transition.

Kathlyn Spangler, wife of long time member **Jack Spangler**, made transition on February 18, 2006.

Saturday • April 22 12:00 to 3:00 PM

Craft Day – Beading \ Jewelry

Give new life to an old piece of jewelry. Make a gift for yourself or a special friend.

Join us to explore your creativity by making bead jewelry with Cathy Day's bountiful bead collection. Bring your old broken jewelry favorites and we can transform them into something new or learn simple repairs including restringing and replacement of closures. Cathy will provide all the instruction, supplies and tools needed to get you started. No experience is needed.

Bring a lunch or just come by. Look for us in the Board Room behind the bookstore or in the Social Hall. Check the Triune and the social hall each month for details.

Coming in May — QUILTING! Special guest quilter, Linda Lee will be on hand to teach us the basics.

Friday • April 28

Doors Open 6:40 PM – Movie Begins 7:00 PM

Metaphysical Movie Night

Cinderella Man

Starring Russell Crowe and Renee Zellweger

Join Rev. Darlene Sykes and the movie-goers as they explore this story of winning, losing, hopes, dreams and second chances. *(We provide the popcorn!)*

As always, the highlight of the evening is the potluck dessert discussion that follows the film. Bring a dessert to share, and bring a friend. This is a great way to introduce people to our philosophy.

Our regular meetings consist of discussions of current events, workshops on specific issues or ideas presented using crafts of some sort. We have a couple of social events throughout the year that we look forward to.

At Christmas we get all dressed up and go out to dinner for fun, food and some sort of gift exchange. Twice a year we attend international seminars where we do workshops, meet new people and visit with friends from past seminars. We also meet twice a year for one night seminars at separate churches, so we can stay in touch with our friends.

These events have proven to open up opportunities for our youth, create more awareness in the church about the youth and allow us all to feel part of the whole.

Bring your youth for this opportunity.

Member Spotlight
Rick Daniel

In recognition
of your loving service and dedication
to our spiritual community,
we celebrate and honor you!

Rick Daniel lives in Arnold, CA and commutes to church three or four times a month. He has been attending Tri-City Church since 1978 and became a member in 1984. Rick continues to share his experience with everyone and looks forward to doing mini-seminars and retreats at his home in Arnold. He has transformed his life by means of the Religious Science teaching and it's principles.

He first took SOM100 through SOM 400 from 1982 to 1987. Rick has taught both SOM100 and 200 and assisted his wife, Rev. Sharon with SOM 300. He's taken the 4T class twice and helped to promote the original Religious Science in Depth class, then called Advanced Studies. He loves the life long relationships developed with the people he has met at Tri-City Church.

Years ago, Rick was a Wednesday night and a Sunday Service coordinator. He created the original men's group, headed up the sound room, helped organize meditation and is now our webmaster. He was a practitioner from 1986 to 1996 and was re-licensed in 2002. On several occasions, Rick has shared his wonderful sense of humor with us as M.C. for our annual graduation dinner ceremony

Rick is the co-owner, director and officer of three different California corporations. He continues to reinvent, improve and expand himself. His life motto is: I live a contented, debt free, prosperous life – explore the mysteries of the mind and party with my family and friends.

He has been married to Reverend Sharon for 20 years and has two children and four grandchildren.

Treatment for the Month

I Live Life Fully

God is the fullness of life expressing as me. I am filled with the joy of living. I express my joy by loving every person, place and thing entering my experience. I find satisfaction in my daily work and play, for love is my reason to live and I live love all-ways.

I know I am an outlet of the creativity of Divine Spirit. It expresses through me as me in all I do, say and think. It is what I am. I am fulfilled and happy because I am a unique expression of God. The knowledge produces gratifying results in all I do. I love my work, my home, my family and friends. All my relationships and interactions are vitalized by a dynamic flow of life. I live an extraordinary life with extraordinary flair. Everyone and everything responds to me in a positive manner, for I will accept nothing less.

I live a productive, successful life, and I gratefully share my Divine Abundance of good things. The fullness of the Universe is mine. I affirm it, accept it and consciously live it each day. The joy I feel compels me to reach for and obtain greater fulfillment. I am thankful for life. I live it fully and richly.
