Dear Spiritual Family,

Happy Easter!

What a Great April we have unfolding for us! We begin April 1 with the Fantastic Terry McBride doing both Sunday Services. (INVITE A FRIEND!)

This will be a big event and I want to thank all of the many volunteers it takes to do what we do so wonderfully and so well. We have been excited and preparing for this SPECIAL DAY with Terry. He will be speaking on Sunday morning. His workshop will be Sunday afternoon and Monday evening. It is called, "Joy & Abundance, Your Birthright"

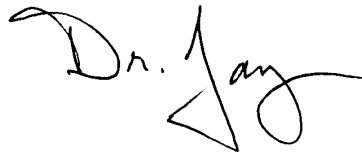

I received an E-mail that says, "Recently I have had the good fortune to have some friends invite me to Tri City Church, and I can truly say all the people I met, the music, and the words I heard are wonderful. I don't want to miss a Sunday!" Have you invited friends? Try it, you'll love it!

The Good Friday and the Easter Sunday Services will be full of wonder and light. Bring the children to meet the Easter Bunny and enjoy a Program they will love.

As we spring into Spring, know we are moving from God, through God, to God. I wish I could find words to tell you how wonderful I know all of you are. Join with me as we open our eyes to new vistas, for all our members and our great church of Religious Science.

I celebrate what I know you are, a Mighty, Moving Power of God, in this wonderful world!

Have a Love Filled Easter!

Sunday afternoon is about being free of the negative baggage of anger, fear and unworthiness. The have tos' and shoulds' from your past will no longer run you.

Monday evening you will explore how you can tailor your choices to work for you the way you need. Then taking charge of the creative process of life becomes fun and rewarding based on your priorities and how you do things.

Youth Program

This month, we will be focusing on **Spring** – Rebirth – Easter/Passover. We are reminded that all things become new; nothing is stagnant.

Spring is here and with it comes a Renewal of life! Easter symbolizes this rebirth; ending the old and embracing the new. When we release old ideas, we make room for new ideas, our new creations. We are reborn every minute of our lives. Now is a time to reflect on this new birth, to decide what it is you REALLY want, and to allow it to come into your life.

Children have the opportunity to explore this idea of rebirth, to celebrate the birth of the new, to wake-up to who they are and how they create their own lives.

Come celebrate! We will be having a wonderful party and an egg hunt as part of the children's Easter celebration. Life is meant to be fun, every day. Join us.

Free Flyers – NoCal Lock-In 4/20-21

The Northern California Lock-in will be held at Tri-City Church of Religious Science on April 20 and 21. We look forward to seeing all the groups that wish to attend for a lovely time and a time to be creative. The youth have helped create a time for old friends, new friends, and workshops to take home and live.

Please register by April 9. There will be food costs involved and supplies for various workshops. Bring your sleeping gear, a pillow and come see us for this experience.

April 2007
Member Spotlight
Shirley Penney

In recognition
of your loving service and dedication
to our spiritual community,
we celebrate and honor you!

The Spotlight Award for April goes to Shirley Penney. Shirley first came to Tri-City Church in 1989 after driving by and noticing the bookstore sign. Needing a specific book, she stopped in. After a warm greeting and some information about the church, she decided to attend a service that night. After five minutes of listening to Dr. Jay, she was hooked. She went on to take accredited classes, the 4T Prosperity Class, and numerous seminars and workshops. She also attends Asilomar as often as possible – it's one of her favorite events. Along with classes, Shirley volunteered in the office. She set up databases for the church and school; and, maintained the church mailing list for ten years.

She was married to her late husband, Dave, for 26 years. They each had two sons and one daughter. Both Shirley and Dave were raised in Portland, Oregon and came to California in the 1970's. Her current home is in a Retirement Community in Hayward. Shirley worked for the Chronicle until her recent retirement, and also taught ballroom dancing for 16 years. When she wanted to relax, golf was her game. Shirley has written a book about her late husband and is in the process of having it published.

Shirley says the Science of Mind teaching has set her free. It set her free from the chains of old guilt, sin, and salvation. Shirley loves her church family and continues to support it in the best ways she can.

Treatment for the Month

“The way you treat yourself sets the standard for others”

Sonya Friedman

There is only One Life. It is God’s Life. It is whole, perfect, and complete. It is my life, right here and right now. I celebrate the Joy of being aware of who I am, a Mighty Moving Power of God in my world. I express this knowingness by being my own best friend and a friend to all life by letting the God in me greet the God in all I meet.

I celebrate the wonderful Joy of this life. I know that everyone I touch and come in contact with is blessed: blessed with perfect health, radiant relationships, overflowing prosperity, and limitless happiness. Spirit moves through me, awakening me to a greater awareness and making all things new in my world. I do only those things which bless, benefit, and inspire the world and everyone in it.

I am forever grateful and give thanks for the perfection that I am. I give thanks for today, for I know it is a day the Lord has made. I accept and embrace Love and Peace for all, as I release my word to Law and let it be so; and so it is.

Rev. Lacy Atkinson, Assistant Minister

“Treatment is the act, the art and the science of specializing the universal Law of Mind for specific and individual purposes.”

Ernest Holmes • Can We talk to God (1934) - P 27
