Great Lessons by Great Religious Science Teachers!

Become a Wednesday Nighter!

FROM DR. JAY WITH LOVE

Dear Spiritual Family,

Celebrating 30 Years of Excellence!

In 1991, Dr. Carol and I received the book by Ernest Holmes, *The Anatomy of Healing Prayer*, which was edited and collated by my friend and teacher, Dr. George Bendall. While thinking about what class I wanted to teach this summer, I opened the book and a note fell out which read, "Dear Jay, I think that this is a manual for Treatment: The only complete one. It would make a wonderful and important class. Blessing and Love to You! George – AND SO IT IS!"

I am taking his advice. All of you are invited to the beautiful healing experience of my summer class based on this great work. Join us as we study these inspired classes taught by Dr. Holmes to his practitioners in 1958. A clearer understanding of Spiritual Mind Treatment and a great change for the better will be our way.

Invite a friend to a Sunday or Wednesday service. They will thank you!

Have a wonderful August and the rest of the summer!

I love you!

Dr. Jay

A Celebration of Peace

Peace dwells within each of us always, and the way to experience Peace in the world is to become aware of the Peace in everyone. This includes even those with whom we may sometimes disagree.

We will celebrate this Peace with a special Wednesday evening service of music, readings, poetry, meditation and a short lesson. Please plan to attend, and bring a friend to add to the consciousness of Peace in everyone.

MONTHLY GATHERINGS

Saturday • August 6 10:00 to 12:30 PM

Moon Circle – A Gathering of Women

“Connecting With Others”

Come and Play! Rediscover Your Child Nature!

We draw from who we are, as we extend our true selves to others: both children and adults. We can raise our awareness of ways to interact with others in a more positive, nurturing way. This workshop will include arts and crafts, conversing with others to learn new skills, storytelling and much more.

Our presenter, Andrea Scheib is a licensed Religious Science Practitioner and a recent graduate of Science of Mind 400 who aspires to the ministry. She holds a degree in education, and has given workshops for various parent groups in the past.

Join us for this joyous morning of fellowship, exploration, and realization of enhanced concepts and beliefs about ourselves.

Bring food to share for our potluck lunch, when we visit and become better acquainted. Bring your friends.

Sunday • August 14 1:15 to 3:30 PM

Sun Circle – A Gathering of Male Power

RADICAL FORGIVENESS WORKSHOP

Andrew Roman will present a hands-on workshop to guide you through the 5 stages of Radical Forgiveness. This experience helps you to achieve inner peace by helping you release all those old victim stories and self-destructive patterns that have stolen your life, kept you out of joy, and blocked your abundance. Andrew will present this information in a way that is easy and safe, quick and therapeutically non-invasive.

To experience it is to heal your life. Using the very simple technology of Radical Forgiveness, Andrew will help you let go of the anger, blame, resentment and judgment around the situations that have kept your vital life energy blocked.

Saturday • August 20 12:00 to 3:00 PM

Craft Day – Your Time to Play

Have you ever wanted some special time just for you to work on your crafts while surrounded with creative, supportive people? Have you ever wanted to learn a new craft? Then Craft Day is for you!

Bring a lunch and come by. Look for us in the Board Room behind the bookstore or in the Social Hall on the third Saturday of the month.

To attend a **Tie-Dye T-Shirt workshop** tentatively planned for Craft Day in September, please contact Catherine Day (cndday_2000@yahoo.com) or Nancy Guarnera (nguarnera@comcast.net) by August 10. ***This workshop will be offered only if there are people who express an interest in attending.***

Sunday • August 28 1:30 to 3:30 PM

Young Adult Group

The Young Adult Group welcomes you to grow in consciousness with our team of spiritual thinkers. This twenty-something is an interesting age of new opportunities. For many of us, it's a time when we really start to think for ourselves and determine which of our beliefs are really ours, and which are our parents' and peers'.

If you're between the ages of 19 and 35, come join us on the fourth Sunday of each month to experience a renewal of self-thought. We'll be discussing goals and visions while exploring the infinite possibilities that are available to each of us on our paths of personal growth.

Members of the choir contribute their combined talents to the good of the whole - Sopranos, Altos, Tenors and Basses singing with a purpose, to vibrate their voices into one perfect harmonious voice.

Youth Program

“If we would know a God of joy, we must become joyful.” Ernest Holmes

The theme for August is **Joy**, and we are teaching the youth that God is a God of joy.

We learn the laughter of God from our children and it is our task to help them remember the joy that is so natural for them. Bring your children and grandchildren to our wonderful youth program to learn practical lessons that will help them in their every day life. Our wonderful teachers use many methods of teaching: hands-on exploration, music, skits, games, and discussion, and we love to meet new children!

This quote by Ernest Holmes speaks to what our children already know.

“There is a laughter of God – let’s laugh it. There is a song of the Universe – let’s sing it. There is a hymn of praise – let’s praise it. There is a joy, a beauty; there is a deep, abiding peace; let’s experience it.” Ernest Holmes

Free Flyers

Our Free Flyers are spending the first week of August at youth seminar, in southern California, at Camp Idylewilde. Each year, upon their return, they join us at an 11:30 AM Sunday service to share their experiences and their new insights. It is truly a joy to behold the transformation in our youth at this time. Don't miss this wonderful opportunity to be a witness to the power of this teaching in the lives of our young people.

FROM OUR PRACTITIONERS

Treatment for the Month

"Tis the set of the soul that decides the goal and not the storms of life."

Emma Curtis Hopkins

God Is! Therefore I Am!

I am the perfect soul in the wholeness of the great Omnipresent. I am no less nor am I more. I am the totality of my magnificent being. In this understanding, I release any distractions and set my goal to be the perfect soul that I am. All Of life is the manifestation of my perfect being and I enjoy this good in every tangent of my earthly life.

Whole health, love, abundance, and perfect right action are the truth of my being. In the grace of oneness, I give thanks in complete gratitude for this reality and release it to the universal power that acts upon it for me, by me and through me.

And so it is.

Richard E. Mar, R.Sc.P.

AUGUST CLASSES

Begins Monday • August 1 7:00 to 9:30 PM

Religious Science and the Tao

According to the tradition of Taoism, a great mystic by the name of Lao Tzu lived and taught in Ancient China about 500 B.C.E. He left us with a collection of eighty-one short chapters collectively known as the Tao Te Ching. These chapters give us esoteric, yet practical advice on the art of good leadership, genuine happiness, and peace of mind. Though sometimes greatly misunderstood in our western culture, over 2,500 years later this advice is still relevant.

Join this exciting four-week exploration of these teachings and how they have a common denominator with the Science of Mind® as we study and practice it.

Instructor: Rev. Tim Mauro

Cost: \$60

Begins Tuesday • August 2 7:00 to 9:30 PM
