**Dear Members and Friends:**

*Happy New Year!*

The Science of Mind teaches that we are surrounded by an Infinite Intelligence which operates creatively upon our beliefs. By letting go of destructive beliefs and adopting constructive ones, we cooperate with this Infinite Intelligence in making our lives fulfilling and successful.

The Month of January will be dedicated to the Basic Ideas of Religious Science/Science of Mind. This is a wonderful time to invite anyone you know to a Sunday Service. They will have the opportunity to gain a deeper understanding of the practical use of the life-changing universal principles which comprise the heart of our teaching. They will also learn how these principles are linked with the world's great spiritual teachings. What a great way to start your Year!!!

Have a Wonderful New Year!

***Dr. Jay***

**Saturday, January 8, 2005 10 am to 12:30 pm**

**“Out with the Old, In with the New”**

**"A Burning Bowl Ceremony"**

Presented by Rev. Carolyn Cash

We will jiggle our memories to find what it is we want to release to the universe, creating space for our current desire to manifest in the coming year. Through meditation, visioning, discussion and writing our intentions, we will achieve a greater clarity. A high point for the morning is the "burning bowl ceremony" in which we commune with Spirit, and affirm our acceptance of the new for 2005.

We will end our program a little early to allow time to give of ourselves in our annual loving service to the church. Then we will all sit down for lunch together. Bring food to share for our potluck lunch, which is our time to visit and become better acquainted. Join us for inspiration, good fellowship, and good food.

The theme for this month's youth program is **Power**. We will be using the new curriculum from Religious Science International to explore the idea of power on our lives. We are excited about this new curriculum. If you would like to review it, see Rev Bonnie or Rev Celeste.

We would like to thank two of our teachers who are stepping down after many years of service, Gerard and Catherine Berthet. They are wonderful, insightful teachers who have touched the lives of many young people at our church. Their gentle and loving manner made them beloved by the children. They are much loved and will be missed by all! Thank you, Gerard and Catherine!

## I Am and It Is Wonderful

*"If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured and far away." Henry David Thoreau, Walden*

Infinite Mind, Infinite Love, Infinite Creator, God is all of this and more. God is the Spirit in everyone and everything, the Power initiating all Life. I use this Power each moment as my beliefs release and are actualized. Knowing this Truth, I keep tender watch over my thoughts. I continually choose thoughts which are for my highest good and the highest good of all. Therefore, my life is filled with Love. Sometimes, it may appear I am at odds with others as I move forward in the direction of my calling. But I know peace prevails, love exists in the midst of differences as well as likenesses.

I listen to the voice within, to my God Self, and know I am one with Infinite Mind. This knowing gives me great confidence. I move past apparent limits and accept new experiences of joy, love, and delight. My life is filled with enthusiasm and passion as I explore new possibilities. Greater and greater good appears for me. What a blessing my life is. My gratitude knows no bounds. All is well.

And so it is.

Rev. Mary Jo Sparry
