Become a Wednesday Nighter!**

Dear Members and Friends,

Happy New Year!

**Celebrating 32 Years
of Excellence!**

The Science of Mind teaches that we are surrounded by an Infinite Intelligence which operates creatively upon our beliefs. By letting go of destructive beliefs and adopting constructive ones, we cooperate with this Infinite Intelligence in making our lives fulfilling and successful.

The Month of January will be dedicated to the Basic Ideas of Religious Science®/Science of Mind. This is a wonderful time to invite friends who want to know more about our teaching to a Sunday Service. They will have the opportunity to gain a deeper understanding of the practical use of the life-changing universal principles which comprise the heart of our teaching. They will also learn how these principles are linked with the world's great spiritual teachings. What a great way to start your Year!!!

Let Love, Joy, Prosperity, and Health be your way!!!

Have a Beautiful, Love Filled 2007!

Religious Science In-Depth

Religious Science In-depth is designed for students who have completed SOM 100 and 200 and have a deep understanding of Principle.

Retro Holmes

We'll be exploring some of the passages in the "original" edition of The Science of Mind textbook which was published in 1926. Twelve years later, in 1938, the text was revised and enlarged by Dr. Holmes in collaboration with Maude Alleson Lathem. At that time some of the original writing was deleted and lost to those who have never read the first edition of the textbook. Anyone with a love of Religious Science history will want to know all there is to know about our roots.

This class will be one where those attending will participate by sharing their "take" on what Dr. Holmes taught. You will have the opportunity to exercise your intuition as you explore the "Holmes Code" with others who have a desire to better understand the application of our teaching.

Think of this class as an avenue to commune with a young Ernest Holmes and take a trip back in time. This unique interactive class will allow you to bless and be blessed by all who participate. It is an offering of and invitation to Inner Growth. Give yourself this gift!

Date: Sundays • January 7–February 11

Time: 1:30–4:30 PM

Instructor: Rev. Sharon Forche-Daniel • assisted by Rick Daniel

Prerequisite: Completion of SOM 100 & 200

Text: The Science of Mind • Ernest Holmes (1926 edition)
(It is not necessary to purchase a first edition copy. Handouts will be provided.)

Tuition: \$90

Friday • January 5 7:00 to 9:00 PM

BOSS – Business Owners Spiritual Support

First-to-Market Software Challenges (the SOM Way)

The BOSS team will address a new business being started by Ron Edwards. Ron had developed a software product, which is an automation tool for accounting, operations, and management. He has asked us to focus on how to get this product to market. Other members of his new business will also attend the meeting.

Whether you have a background in software development, marketing, startup funding, or are interested in learning about these challenges, this should be a very exciting meeting. For more information, contact Rev. Pam at revpam@boss-group.com. BOSS meets in the Board Room.

Saturday • January 6 10:00 to 12:30 PM

Moon Circle – A Gathering of Women

It's time to make New Year's resolutions, release the past and open to the acceptance of a bright, prosperous future. Rev. Sue TenEyck will lead our discussion of the meaning of New Year and we will share our personal traditions. Where did so many of these come from?

We will look at Mother Earth as a metaphor for our consciousness. In January, the earth is hard and cold, yet it contains seeds for new growth. Our consciousness contains seeds of awareness; how can we best prepare the earth so all our seeds germinate for our highest and greatest good?

The Burning Bowl Ceremony will return, by popular request, to conclude our meeting.

We will then assist Rev. Celeste and her team in removing the church Christmas decorations. It is said that "many hands make light work." Come assist with this annual Moon Circle service project for our spiritual center.

Share your family's traditional New Year's dishes at the delicious pot-luck lunch that completes our program.

Sunday • January 7 1:30 to 3:30 PM

Young Adult Group

The Young Adult Group welcomes you to grow in consciousness with our team of spiritual thinkers. Join us this month for a very special workshop led by Rev. Tim Mauro called "The Feast Of Abundance". Mahatma Gandhi once said, "If I had no sense of humor, I should long ago have committed suicide." If you haven't had a good laugh or a waking up experience in a long time, this event is just what you've been waiting for. (And everyone else will enjoy it too!) It will be a very fun and experiential way to kick off your new year with an amazingly prosperous consciousness.

Sunday • January 14 1:15 to 2:30 PM

Sun Circle – A Gathering of Male Power

Join facilitator Rev. Bob Ahrenkiel and the guys as they continue studying the book, *The Heart of the Soul: Emotional Awareness* by Gary Zukav and Linda Francis, with emphasis on "Pleasing". "Pleasing. The desire to please other people is a potent way to distract yourself from what you are feeling and subconscious anxiety, fear and pain of the past." All men are welcome.

Saturday • January 20 12:00 to 3:00 PM

Craft Day – Make All Things New

Join us in the Board Room (behind the bookstore) for Craft Day. This month, Cathy Day will teach us how to recycle/reuse pieces from old/broken jewelry to create something brand new. Bring your old/broken jewelry. Bring it back to Life. There is no charge to attend and no experience needed. Instruction, Cathy's bountiful bead collection, and tools needed to get you started will be provided. Or bring your own craft to work on and share.

Craft Day – Your Time to Play!

Friday • January 26

Doors Open 6:40 PM – Movie Begins 7:00 PM

Metaphysical Movie Night

RABBIT-PROOF FENCE

Starring: *Evelyn Sampi, Tianna Sansbury, and Laura Monaghan*

"If you were kidnapped by the government, would you walk the 1,500 miles back home?" In 1931, three aboriginal girls escape after being taken from their homes to be trained as domestic staff, and set off on a trek across the Outback to find their way home.

Sound intriguing? Then join Rev. Darlene Sykes and the movie-goers for this very special film that reveals the power of courage and steadfast determination.

An in-depth dessert discussion follows the movie, so bring a dessert to share -- and bring a friend. This is a great way to introduce people to our church!

Suggested love offering: \$5

In Loving Memory

We know that loving hands are meeting our dear one who has recently made transition.

Our long-time member and friend, Howard Reese, made transition on November 24, 2006.

We honor and love him.

Everyone is welcome to join the fun. A delicious lunch will be served at noon.

Special Message from Santa

Thanks from the Santa’s Shop Team! It takes wonderful people like you to make this event a success every year and we thank you! And please keep in mind that we are collecting gifts all year round, so if you have any gifts that you’d like to pass along, please give them to Verna or leave them in the office marked for the Santa’s Shop.

Youth Program

A new year is upon us and we have an exciting program for the Jr. Church! Our theme for the month is:

Religious Science Basics.

Let your child start the New Year off with a refreshing look at life. This month the Jr. Church classes will be teaching the Basic Principles of Religious Science. We will cover Dr. Ernest Holmes concepts of; The Thing Itself, The Way It Works, What It Does, and How To Use It.

Imagine how wonderful your child's life will be as they grow up knowing and using the basic principles of Religious Science. In fun and exciting ways, these concepts are introduced to our students. Bring your children for life-changing experiences.

Free Flyers – Winter Camp

The Free Flyers are off to a great start in 2007. Winter seminar meets on Martin Luther King week-end again this year. That Monday holiday gives us time to be together for an extra day. This year we are celebrating our Free Flyer, Jonathan Berthet, who is one of two co-directors for this year's seminar. Congratulations, Jonathan!

We are so proud of our youth, and when they shine in the leadership position, it gives us all a warm feeling to know that what we teach opens us to our greatest good. Our youth leaders are awesome. Watch for the Sunday of our return, when we share our experiences with you.

January 2007
Member Spotlight

Judy
Vetrovec

In recognition
of your loving service and dedication
to our spiritual community,
we celebrate and honor you!

This month we recognize and celebrate Judy Vetrovec, recipient of our January 2007 Member Spotlight Award.

Judy has been attending Tri-City Church since 1992. As a student of the Science of Mind, she has taken SOM 100 through SOM 400. The teaching solidified many of the beliefs and ideas she had been nurturing as she journeyed along her spiritual path.

Most famous as the creator of Santa's Secret Shop, Judy's early days of volunteering began as leader of Hospitality and organizer of the day-after Thanksgiving festivals. Everything Judy touched blossomed. We continue to see the evidence of her seeds by the extensive gala affair Santa's Secret Shop has become, as well as the bountiful Sunday Hospitality spreads.

Raised in the suburbs of Chicago, Judy now lives in Hayward with her husband, Frank. They have been married for 44 years and have five children, nine grandchildren, and one great-grandchild. A devoted wife and mother, Judy currently enjoys spending as much time as possible with her family – even while making reindeer food (you'll just have to ask her what that's about).

Loving the principle of "unlimited being", classes helped Judy broaden this idea in her life. She began practicing "unlimited being", and as a volunteer has helped pass it on to others. She is truly grateful to Dr. Jay and Dr. Carol for allowing her to open to her unlimited potential.

Treatment for the Month

"I tell you the truth, anyone who has faith in me will do what I have been doing. He will do even greater things than these...."

John 14:12

All Things Are Possible

I know that there is only One Life, One Divine Principle that expresses Itself as infinite diversity. I am the perfect expression of this perfect Life and know that all that is true of It is true of me.

I am empowered by an unwavering faith that Divine Principle in me, as me, allows me to know that all things are possible for me. Every thought becomes conscious thought; every desire becomes intentional. When I speak my word, I know it will be done. Spirit, in me, as me, guides me to the highest and greatest good in my every endeavor. When I know my truth, that I am the perfect expression of the All-knowing, the All-powerful, the Ever-present Oneness of All Life, I know I can accomplish anything. I know I am free to have and be anything and everything I desire. My success is guaranteed.

With a grateful and receptive heart, I give thanks for the truth that I know and express. I am creating the beautiful in everything I do. And so it is.

Nancy Guarnera - Intern Practitioner
