

June 2005 Triune

Dear Spiritual Family:

We are celebrating 30 years of Excellence!

For 30 years, Tri City Church of Religious Science has been a Guide to a Better Life for all who discover us. We know that the better life we desire must start with an understanding of our True Self and the nature of Life. In every Sunday and Wednesday Service and every class we teach, age old truths are combined with today's concepts to give you an emotionally satisfying and intellectually sound basis for a life centered in positive belief. There is a science for using your thought so that it may be more productive in all aspects of your life. We call it the Science of Mind. We have all discovered that the result of this study brings us better health, more success, greater happiness and improved relationships.

Come celebrate our Science of Mind Classes as the students graduate this month. Get ready for a wonderful summer filled with Outstanding Classes and events.

See you on Sunday! Invite a friend!

Let the Way of Your Heart be the Heart of your Way!

Samples of the works of Margaret Fuller, the Peabody sisters and others will be presented with a historical viewpoint of their influence on New Thought. Also, the opinions of female transcendentalists on women's issues will be discussed. This is a rare opportunity to view a forward thinking group of our 19th century feminine sisters to whom we bestow many thanks for their contributions to the New Thought Movement.

Join Rev. Darlene Sykes and the movie-goers for a great evening of metaphysical exploration.

Who says comedy can't be metaphysical!?!? On a metaphysical scale of 1-10, this movie is a solid "10"! If we were to take just one lesson home from this movie, it could forever change our lives! So, plan to be here! And bring a friend - or 10! This is a great way to introduce friends and acquaintances to our philosophy.

As always, a pot-luck dessert discussion follows our movie, so bring a dessert to share.
Doors open: 6:40 PM
Movie begins: 7:00 PM
Suggested love offering: \$5

Tri City Church Young Adult Group

Next Meeting Sunday,

May 22

1:30-3:30PM

The Young Adult

Group welcomes you to grow in consciousness with our team of spiritual thinkers. This twenty-something is an interesting age, of new opportunities. For many of us, it's a time when we really start to think for ourselves and determine which of our beliefs are really ours and which are our parents and peers.

If you're between the ages of 19 and 35, come join us on the fourth Sunday of each month to experience a renewal of self-thought. We'll be discussing goals and visions while exploring the infinite possibilities that are available to each of us on our paths of personal growth.

Treatment for the Month

"The Good of life for which we seek are but echoes of the true self knocking at the door of consciousness." Ernest Holmes, THIS THING CALLED LIFE

All Good Is Mine, by Right of Consciousness

There is One Divine Presence which is Love. This Presence has created all. Therefore, I know I Am a unique expression of this Oneness. My good manifests when I Am the good I desire.

Therefore, I Am Love. Love is my way and my world. I Am Freedom. Freedom is my way and my world. I Am Peace. Peace is my way and my world. I Am Clarity. Clarity is my way and my world. I Am a greater Divine Expression each day, now knowing my way.

I am so grateful for the abundance of Creation and the understanding and use of the Law. I now release this to the Law knowing it is so. And so it is.

Saddika Macheel

Andy Anderson, Jeanette Butler, Coco Dolenz, Rolf Jaeger and Christie Vianson will all perform, backed up by Martan Mann on the piano and a special appearance by our own choir "The Spiritual Dimensions".

In Loving Memory

Laurette Dionne, mother of our long time member and dear friend Elaine Miles, made transition on April 7. We know that as loving hands met her here, loving hands have greeted her in her new experience. She will be missed, but will always remain in our hearts.
