Dear Members & Friends,

Let June 2006 be your
"Prepare for the Best"
month.

This month, we celebrate our class year and all of our wonderful students. This month, we also begin our Wonderful Summer Classes.

Choose to grow in greater understanding and be part of a Summer Class. You will be glad you did.

"I have felt a presence that disturbs me with the joy of elevated thoughts; a sense of the sublime."

William Wordsworth

Let go and let inspired awareness take you to new heights of creativity, achievement, freedom, and fun. Let the way of your heart be the heart of your way and allow your best thoughts to shape your life. Know that as you do this, remarkably good things blossom wherever you turn. Let it be your way!!!

"Refuse to think of failure or doubt your own power. See only what you wish to experience and look at nothing else." The Science of Mind, Pg. 302 Dr. Ernest Holmes

Affirm: *I let go and let my purpose carry itself out perfectly and beautifully. I am the Oneness of God unfolding, and I thankfully know health, peace, abundance, joy, and love are the way of my way.*

Love is Blessing Us!!!

Saturday • June 3 10:00 AM to 12:30 PM

Moon Circle – A Gathering of Women

What Are You Going to Do When You Grow-up?

Join presenter Rev. Sue Ten Eyck as we learn that there is nothing more liberating for women than age if we learn to use our energy, power and compassion. According to Jean Shinoda Bolen, mature women can be happier than ever before, and, if we work together, we can change the world. We will explore how you can turn the 60 something years into growing years by devoting your time, energy and creativity to what really matters.

Please bring food to share for lunch, and we'll visit while we eat and get better acquainted. Bring your women friends.

Sunday • June 4 1:30 to 3:30 PM

Young Adult Group

The young Adult Group welcomes you to grow in consciousness with our team of spiritual thinkers. The twenty-something is an interesting age of opportunity. For many of us, it's a time when we really start to think for ourselves and determine which of our beliefs are really ours and which are our parents and peers.

If you're between the ages of 19 and 35, join us on the first Sunday of each month. We'll be discussing goals and visions while exploring the infinite possibilities that are available to each of us on our paths of personal growth.

Sunday • June 11 1:30 PM

Sun Circle – A Gathering of Male Power

The Sun Circle will be continuing our exploration of the book, "He", which covers Dr. Carl Jung's study of Masculine Psychology. A better understanding of the male psyche leads to living a more fulfilled life. Rev. Bob requests that all participants bring an article from any source that touched you in a positive way. Articles will be shared and discussed for a maximum effect on the group. Don't miss this!

Saturday • June 17 12:00 to 3:00 PM

Craft Day – Silk Magic

Crafters, join us in the Board Room (behind the bookstore) for Crafts Day. This month, our own Catherine Day will lead us through creating beautiful silk scarves or pillow covers. There will be a minimal fee for the silk, dye and supplies. This is a wonderful opportunity to make something beautiful and one of a kind! Still have questions? Call Catherine Day (510) 676-9779 or e-mail her at cday@asyst.com. Advanced sign-up in the Social Hall assures there are supplies enough for all.

Friday • June 23

Doors Open 6:40 PM – Movie Begins 7:00 PM

Metaphysical Movie Night

CRASH (Rated R)

Starring Sandra Bullock, Don Cheadle and Matt Dillon

"It's the sense of touch.... We miss that touch so much that we crash into each other just to be able to feel something."

Sound intriguing? Then join Rev. Darlene Sykes and the moviegoers for this very special movie night. The depth of this Academy Award-winning film takes us on a journey deep within ourselves, and provides a deep, personal experience.

Bring a friend or two and a dessert to share for the discussion after the film.

Suggested love offering: \$5

BOSS – Business Owners Spiritual Support

We will meet again in September. No meetings are scheduled for June, July, or August. Have a great summer!

This is a marvelous opportunity to get to know other church members and make new friends. There is plenty to do so you will not get bored. Your assistance is truly needed and very much appreciated.

Everyone is welcome to join the fun. A delicious lunch will be served at noon.

SEVA Opportunity - Youth

Be a part of our teaching team and help our young people discover the genius that they are. You receive a tape or CD of a service free each time you teach. If you can commit to teaching once a month and have completed a year of accredited classes, please see Rev. Bonnie, Rev. Celeste or Rev. Andrea for further information. We have a wonderful curriculum and many resources for you.

Easy Ways to Support Our Church!

Log on to IGIVE.COM and click on Tri-City Church of Religious Science. Any purchase you make online through IGIVE.com will net a check to the church! Log on, check the stores and the percentage they give. Even the airlines participate! It's as easy as that! Shopping and tithing at the same time – talk about multi-tasking!

You're a member of Albertson's club too, right? Ask Carol Jean for a card if you aren't signed up. Anything you purchase nets a check back to Tri-city church. You can also help support the Creative Life Preschool. Check into all the stores, many of them have these programs.

Have you reviewed your living trust lately? Tri-City Church can be a dedicated beneficiary there also!

Sundays

9:30 AM Service Nursery to Sixth Grade

11:30 AM Service Nursery to Eighth Grade

11:30 AM to 1:00 PM Free Flyers (9th-12th)

Youth Program

We have some exciting classes planned for our youth in Jr. Church. This month we will be celebrating our fathers for Father's Day and learning about the concept of **Forgiveness**. We will discuss the Qualities of God, Cause and Effect, The Prodigal Son and its metaphysical meaning, and Letting Go of Anger.

This is a great opportunity for children to learn how to change their thinking, change their environment, and change their life.

Children get the opportunity to rediscover how they are personally responsible for their own feelings and reactions to their life. Life is great, fun, loving, and beautiful. Have your child join us and discover their life of joy.

Free Flyers

As the school year ends, watch for car washes, ice cream sundaes, and maybe a bake sale. The bake auction has been postponed for this year due to low attendance. We have a very busy group and many are off completing their requirements to graduate, or are performing in dance performances, or are now working. Independence and free choice abound; as with the adults, so with the Youth.

Support your local youth group at Tri-City Church in Fremont. Bring your teens and let them learn and have fun with us.

We are looking forward to seminar in late July and first week in August. Be a part of a natural experience; hug a youth today.

Member Spotlight

Star
Massing

In recognition
of your loving service and dedication
to our spiritual community,
we celebrate and honor you!

Originally from Redwood City, Star Massing is single and has two godchildren who live in Manteca.

She began attending Tri-City Church in September 2004, started classes right away, and became a member within a few months. She has taken SOM 100 and 200, and another class by Dr. Jay.

Star remembers her Mom telling her about the teachings of SOM when she was in her twenties. She could feel the pull every time she drove by the church.

About a year ago, Star took over the task of posting the flyers on the church bulletin boards. She loves to help with decorations for church events and will even help move our big tables around. She loves gardening and is a regular on Church Beautification day.

When asked what she likes best about the church, she said she likes everything. She likes the teachings, Dr. Jay and the church community.

Her interests outside church are gardening and riding a Harley. Yes, she owns and rides a Harley Davidson Sportster. Star enjoys riding to veteran's hospitals to cheer up the injured and immobile, and has ridden as far as Reno for Street Vibrations, a large annual event.

Other interests are music and animals. She loves live music and singing in church. Along with cats and dogs, she has a parrot that is over 20 years old. Star enjoys art, theater and taking road trips to visit close friends.

Treatment for the Month

My Good Is Irresistible

In My awareness of Infinite Life as my life, I know today is God’s most celebrated event. I now prove myself capable of letting go and letting God do what It knows how to do as I “carry on” in the best tradition of my Creator. I praise my health, and it improves. I acclaim my creativity, and I now become more successful. I hail my happiness, and my heart is healed of any fear.

The Celestial Light of my being burns brightly to attract into my world what is already true in my heart. The greater good that is mine, now, by right of consciousness, was mine in the beginning and always shall be. My higher understanding now evolves as my greater health and happiness. I choose to walk forward in the glow of unlimited success. Love is my guide, leading me into unlimited opportunity. I accept it and choose to be responsible by celebrating my ability to respond in a positive way.

My spiritual Self-esteem is alive and ablaze. I now demonstrate healthy spiritual progress for myself and everyone in my world. I am a blessing to myself and, therefore, a blessing to my life and all that it contains.
