**Great Lessons by Great Religious Science Teachers!
Become a Wednesday Nighter!**

Dear Spiritual Family,

This year we are celebrating 31 years of Excellence!

Dr. Ernest Holmes said, "You are never limited by the Principle of your being. Limitation is a result of a limited use of this Principle. You can come to but one conclusion: there is something which honors your belief, not in a big way in one place and in a little way in another: rather, it honors your belief as you believe it.

As we move into May, know you are each a Mighty Moving Power of God, in Action. As Religious Scientists, know that God expresses Itself in, through and as all; that all life is the One Life of God in expression. By conscious alignment with this Presence, we loose Its splendor into our experience.

Let it be your way! Have a Wonderful May!

Love is Blessing You!

P.S. Check out the Wednesday evening Service – something wonderful is happening this month. Invite a Friend Wednesday.

A MONTH OF CHANGE

"Our lives and experiences may well be likened to a river. If we stand on the bank of a river and watch it flow by, we become aware that the river never changes but that its content is always new." **Ernest Holmes**

We're proud to present a special month of Wednesday Services: A Month of Change. We begin with Meditation for Change, a time of peaceful reflection. By candlelight, we'll meditate, reflect on readings from sacred writings and other literature, and repeat simple, beautiful chants.

Other exciting evenings include The Transformative Power of Music and a special Dance with Change seminar. We'll explore the idea of change in Holmes, Hopkins, and Emerson, and look at lessons about change in the Bible.

This is the perfect opportunity to share Religious Science and spiritual mind principle with your friends and family. Join us for this wonderful month of Wednesday nights.

Sunday • May 14 9:30 & 11:30 services

CECILIA LONG *Special Musical Guest*

We're pleased to have the renowned vocalist, Cecilia Long, as our musical guest for both Sunday services.

A reviewer once wrote, "Cecilia's voice takes her listener far and wide, to exotic locales, through tumultuous relations and into melodic bliss... all while they sit at the edge of their seat waiting for more." Cecilia gives the standards a new feeling, singing with depth and emotion, a true storyteller!

Ms. Long has appeared on the Bay Area television programs, "Inspirational Moments" and "The Show"; her CDs include "Living Dreams" and "Tain't Nobody's Bizness".

Don't miss this special musical guest. Bring a friend!

“The 17 Lies That Are Holding You Back, and the Truth That Will Set You Free”

You are invited to join **Jeanne Bertolina** for this workshop about lies. Not big lies, but the small, insidious lies that we may be telling ourselves every day – the lies that stop us in our tracks and keep us from experiencing our greatness. The 17 lies are 17 race conscious beliefs very common in our society today.

We'll spend the morning in small groups exploring these beliefs and then we'll do some treatment work to shine the light of Truth onto these old ideas and get our thinking into better alignment with our divine attributes. Don't miss this valuable opportunity for self-discovery.

Bring a dish for the potluck lunch, and a friend. All women are welcome.

Youth Program

We have a dynamic youth program with wonderful teachers and it is our privilege to help our youth to understand spiritual principles.

The focus for May is **ABUNDANCE**. We will be teaching the children what abundance is, and how to explain it in their own words. We will explore the concept of an abundance of Love, and we will honor mother's love for Mother's Day.

Our teachers will help their students understand the concept of Infinite Possibilities; share the story of Jesus feeding the 500; and discuss the concept of letting go of the old to make room for the new. Allow your children and grandchildren to experience this exciting program.

Free Flyers

Our regular meetings consist of discussions of current events, workshops on specific issues or ideas presented using crafts of some sort. We have a couple of social events throughout the year that we look forward to.

At Christmas we get dressed up and go out to dinner for fun, food and a gift exchange. Twice a year we attend international seminars where we do workshops, meet new people and visit with friends from past seminars. We also meet twice a year for one night seminars at separate churches, so we can stay in touch with our friends.

These events have proven to open up opportunities for our youth, create more awareness in the church about the youth and allow us all to feel part of the whole. Bring your youth for this wonderful opportunity.

May 2006
Member Spotlight

Christine
Goodrum

In recognition
of your loving service and dedication
to our spiritual community,
we celebrate and honor you!

This month we recognize and celebrate Christine Goodrum, recipient of our May 2006 Member Spotlight award.

Christine has been involved with Tri-City Church since 1988. She started taking classes in 2001 and is a Science of Mind 300 graduate. SOM 300 "was the most intense and life changing" for her. Christine's favorite encouragement for new people she meets – "Take classes!"

She is a dedicated Jr. Church teacher and enjoys sharing spiritual mind principles with our 3rd, 4th and 5th graders. When our church undertook the patio/awning project, Christine and her family were there to help. The classes, teachers and relationships she has formed here are what she appreciates most about our church.

Born in Vancouver, Canada, Christine lives in Niles where she loves to roller blade, garden, workout, and read. Her travels take her to England and Italy where all her relatives live. She has been married to Ed Goodrum for 20 years and they have two daughters, Ashley, age 17, and Chelsea, age 14. Both girls were christened by Dr. Jay.

Christine is a dedicated and caring real estate consultant. Classes and support of the church have been extremely helpful to her well-being and success in business. The teaching helps her to give in a much deeper way. She is especially thankful to Dr. Jay for his vision and the great teachers that have shown her how to give what she has learned to others.

Treatment for the Month

I Am Alert

My awareness of my Oneness with God now evolves as my victorious life. The Law of Mind takes the thought pattern which I give it and now brings it into manifestation with absolute accuracy. Everything in the finished product is that which is contained in the original pattern, and the original pattern is healthy, happy and beautiful. I let go and let my eye be single-on love, from love, to love.

I now lovingly increase my understanding, awaken my imagination, and thrill myself with radiant, joyous certainty. I receive guidance and inspiration from Infinite Intelligence, embodied in my heart and mind. I am alert to great opportunity. All my dreams are awaiting my word – and so it is!

Dr. Jay Scott Neale
