### **Dear Members and Friends:**

The wonderful thing about Tri City Church of Religious Science is that every Sunday and Wednesday lesson is definite, concrete, and practical. You discover how to use these lessons to achieve a fuller life. Every Sunday Morning and Wednesday evening this month, in addition to offering valuable suggestions on how to give a spiritual mind treatment, you will hear very specific ideas relative to certain conditions and situations. Use your Creative Thought Magazine as a ready source of inspiration and help. Invite a friend who will benefit from our teaching and will love being part of our Spiritual Family.

A special Thank You to Rev. Sue TenEyck for working with Jim Wilson to turn out the Triune every month. Rev. Tim Mauro will be working with Jim on this ongoing project. Thank you, Tim and Jim.

One of the most important times in the life of a Minister is their Ordination. For all of the years of love and dedication to all of us, let's all celebrate the Ordination of Rev. Mary Jo Sparry and Rev. Lacy Atkinson on Saturday, October 23, at 7 PM. This will be a wonderful event for all of us!!!

Love is Blessing us!

***Dr. Jay***

## **Remembering Linda Grand** **1950 - 2004**

Linda Grand touched our lives in a very special way. She started with our Church 29 years ago and lovingly took on the position of our first Junior Church Director and Teacher. She personified the very essence of our teaching.

Although she did a wonderful job of teaching and relating to our children, she was much more. Linda lived as a happy, fun filled individual whose smile was the beacon you felt even before she hugged you or spoke to you. She put her whole being into the dream she shared with Dr. Carol, a dream that blossomed as our Creative Life School. She gave her all as the Director of our School.

Her legacy will go on as the children she taught use this teaching in generation after generation.

Thank you, Linda. Our love is with you and your love will always be with us.
