Great Lessons by Great Religious Science Teachers!
Become a Wednesday Nighter!

Dear Spiritual Family,

Let The Classes Begin!

Dr. Ernest Holmes said, "Should all the wisdom of the Universe be poured over us, we should yet receive only that which we are ready to understand." This is true. For

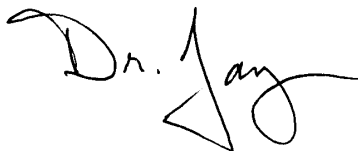

example, imagine a child who is just learning to count, being exposed to the vast, accumulated mathematical knowledge of humanity. It would be incomprehensible to him; but within all that information, there is a portion of knowledge which exactly corresponds to what the child must know. Whatever the child's needs may be, answers to them already exist.

Through our study of The Science of Mind and the Principle of Religious Science, we discover that our answers exist, also. Infinite Mind contains all knowledge and wisdom; therefore, whatever specific instruction, guidance, or information we require is contained in It. If we are consciously receptive to Divine Intelligence, we shall be instructed, guided, and informed according to the level of our receptivity.

Sign up and be an important part of one of our Great Classes, increase your level of receptivity and have one of the Best years of your life.

I have a new Seminar this month – **Mind Is What Matters: Lessons on Spiritual Mind Treatment!** Invite a friend and be there!

See you in Class!

The young Adult Group welcomes you to grow in consciousness with our team of spiritual thinkers. Twenty-something is an interesting age of opportunity. For many of us, it's a time when we really start to think for ourselves and determine which of our beliefs are really ours and which are our parents and peers. If you're between the ages of 19 and 35, you are welcome to join us on the first Sunday of each month.

Join us in the Board Room (behind the bookstore) for Crafts Day. Bring your old or broken jewelry, and she will show you how to bring it back to life. No charge to attend and no experience needed. Instruction, Cathy's bountiful bead collection, and tools needed to get you started will be provided. Or bring your own craft to work on and share.

Craft Day, Your Time to Play!

Special Movie Night Presentation

The Peaceful Warrior

Starring Nick Nolte, Scott Mechlowicz and Amy Smart

This film is based on Dan Millman’s best-selling autobiographical novel, “Way of the Peaceful Warrior” and contains many inspirational and transformational messages. Because it is currently in theatrical release across the country, we are participating with the filmmaker in this special screening.

Movie synopsis: Dan Millman – a talented college gymnast with Olympic dreams – has it all! His world, however, is turned upside down when he meets a mysterious stranger with the ability to tap into new worlds of power and understanding.

Join Rev. Darlene Sykes and the movie-goers for this delightful journey in consciousness. As always, a potluck dessert discussion follows. Bring a dessert to share! And invite friends. Remember the challenge we were given at Asilomar to “Take 5!” which simply means, over the next five months, bring 5 new people to the church. Movie Night is a great place to start!

Suggested love offering: \$10

BOSS – Business Owners Spiritual Support

We will meet again in October. No meeting is scheduled for September. Have a great month!

Youth Program

This month is very exciting! We are focusing on ***New Beginnings***.

We will be discussing and experiencing new beginnings in our lives, with ourselves, our family, our friends and the world. Life is always new and exciting.

Bring your child to our Junior church and let them experience the joy of discovery, the joy of new beginnings!

We will discover something new each week in September:

***God is all there is, always! We are new every moment!
We create our own beginnings, our own life! How to be new, NOW!***

Come join the fun!!

Free Flyers

Free Flyers has welcomed our newly graduated 8th graders who have now joined the group. We look forward to their contribution. Our group meetings begin promptly at 11:30 AM with an opportunity of sharing highlights of our recent week. Workshops, discussions and guest speakers are the main themes of our meetings. The Fall takes us to a "lock-in" this month and we will be having a sleep-over.

Next month the Triune will feature a special section of Summer Camp Reflections by our Youth.

We celebrate their unfoldment into the beautiful, as they share their spiritual transformation with us.

Member Spotlight

Jeanne Bertolina

In recognition
of your loving service and dedication
to our spiritual community,
we celebrate and honor you!

Jeanne has been on a conscious spiritual path all of her adult life. She started practicing Transcendental Meditation in 1973, found Religious Science in the 80's and joined Tri-City Church in the early 90's. She has taken SOM 100, 200 and 300 each several times, as well as summer and in-depth classes.

Jeanne has used her artistic talents to serve the church since the beginning. She has worked on many projects – wedding brochures, newspaper ads, invitations, event tickets, and the church website. Last year she started producing the monthly flyers for church activities. She has also served on or chaired committees for graduation dinners, harvest dinners, and other special events, and has facilitated numerous programs for Moon Circle and Movie Night.

Jeanne considers Tri-City Church to be more a university of consciousness than a “church,” and her relationship with it is primarily through class. She says, “I love that I can participate in the church in whatever way and to whatever extent I choose without judgment. It lets me be me.”

Her interests include all manner of arts and crafts, cooking, movies, and her latest adventure – learning to read music and play the piano. She lives in Hayward with her husband, Jim, who is also a member of the church, and their cat, Mitzi. She is an artist and graphic designer, currently working on creating her own in-home business.

Treatment for the Month

Healthy Living Is My Way

Divine Mind goes forth into new, healthy creation by means of me. I am filled with the inner imperative to express, and I do so joyously and fully now. Whatever I need in any situation is provided, for Absolute Love always supports me in my need. Whatever I need to know is known through the deep wisdom in me, my direct connection with the Source of all knowing.

My healthy life is evidenced by my harmonious relations with the people in my life. I am surrounded by loving friends and family. Each new person I meet adds light to my appreciation of God in all. As I honor and respect their uniqueness, I am supported and upheld in mine.

My physical experience is one of new freedom as I let my healthy mind project itself as a healthy body. I abolish any old patterns of fear or guilt and live in a new creation of fresh life, flowing in Truth. I accept no cause but First Cause, now radiating in me in its wholeness and perfection. I accept perfect faith and trust in the power that animates me. I give myself to God and go forth in splendor. I am healthy-minded and healthy in expression.

Dr. Carol Neale *From Creative Thought* October 26, 1990
